WORK EXPERIENCE

Center of Excellence for Women & Technology Bloomington, IN
Lead Intern, Game Design Feb 2025– May 2025

- Lead, organized, and represented Game Design team at Intern meetings and events
- Delegated tasks and organized weekly check ins, keeping the team on track with paperwork and events
- Took over position mid-semester, turning the team around and making us one of the most organized teams in the Center

Center of Excellence for Women & Technology Bloomington, IN
Intern, Game Design 2023 – Feb 2025

- Designed and hosted events related to Game Design, promoting Women in Games
- Facilitated communication with Game Design community and Lead Intern so our worked aligned with what the community wanted
- Provided paperwork in timely manner for Lead to present every week

Diocesan School for Girls Auckland, New Zealand
High School Assistant Coach, Hockey 2021 – August 2025

- Led junior and senior teams and helped coach goalkeepers at all levels
- Prepared practices, assisted head coaches, and used film to track progress of goalkeepers/team
- Used communication, team management, and encouraged teamwork to produce high levels of high school hockey

LEARNING EXPERIENCE

RealXP Lab New York, NY

Fall 2025 Extern, Prototyping Cohort September 2025 – December 2025

- Work alongside cohort members to develop prototype for Serenity Forge, following instructions from higher ups to produce high quality material
- Attend office hours and team syncs to ensure all content we produce is merged cohesively
- Use high quality C# programming in Unity Engine to produce a functional prototype for a professional studio

Indiana University Field Hockey team 2021-2024 | Northeastern Field Hockey 2025

Experience

Feb 2025 – May 2025
Center of Excellence for Women & Technology – Lead Game Design Intern
Responsible for leading, organizing and representing the Game Design team, on top of the regular intern responsibilities. Delegates tasks and keeps team in check with weekly updates and check-ins.

2023 – Feb 2025
Center of Excellence for Women & Technology – Game Design Intern
Responsible for designing, creating, and hosting events centered about various topics of Game Design (specifically women in games). A friendly face for Game Design students and other CEW&T teams.

2023 – 2023
Somerville Hockey Club – Junior Coach
Coached 7–8-year-olds and taught them the basics of field hockey. Lead their practice, games, communicating with parents and managers to ensure their child is happy and safe within the team.

2021 – 2024
Diocesan School for Girls – High School Assistant Coach
Led junior and senior teams and helped to individually coach goalkeepers at all levels. Prepared practices, assisted varsity coach in games and trainings, used film to track progress of players/team, and used player feedback to improve training plan.
