WORK EXPERIENCE

Clever Ghoul Studio

Minneapolis, MN (Remote)

Game Programmer

Apr 2026– Present

- Develop core systems for project based on lead instruction, task board, and key game documents
- Report to lead programmer and CEO about progress regularly and give daily check ins
- Use Unreal Engine Blueprints to develop core game systems, such as buffs, spawning systems, and in-game inventory
- Update task board regularly with progress

Diocesan School for Girls

Auckland, New Zealand

High School Assistant Coach, Hockey

2021 – Current

- Led junior and senior teams and helped coach goalkeepers at all levels
- Prepared practices, assisted head coaches, and used film to track progress of goalkeepers/team
- Used communication, team management, and encouraged teamwork to produce high levels of high school hockey

Arabella Loveridge

Center of Excellence for Women & Technology

Lead Intern, Game Design

- Lead, organized, and represented Game Design team at Intern meetings and events
- Delegated tasks and organized weekly check ins, keeping the team on track with paperwork and events
- Took over position mid-semester, turning the team around and making us one of the most organized teams in the Center

Center of Excellence for Women & Technology

Intern, Game Design

- Designed and hosted events related to Game Design, promoting Women in Games
- Facilitated communication with Game Design community and Lead Intern so our work aligned with what the community wanted
- Provided paperwork in timely manner for Lead to present every week
